JOHN J. SHAW.

The New Brendway Tabernacle, situated at the interestion of Brendway, 6th-av. and 5th-at, will be opened for public worship NEXT SABBATH, 2th April, There will be presching at 16 a. m. by the Bev. Dr. PARK of Andover Semi-presching at 16 a. m. by the Rev. Dr. PARK of Brooklyn; and at arry; at 5 p. m. by the Fastor, the Rev. Dr. JOSEPH P. THOMPSON.

Binsonic Presentation.—The members of TEMPLAR LODGE, No. 203, of F. and A. M., on last Thursday evening presented as neighbor and costly Gold Watch, with Chain and fact, to W. P. M. HUGH G. CROZIER, as a token of their steem and friendship for him. Remarks highly complimentary to the worthy rectifiest were made by several brothers, expressive of the warm friendship entertained for him by the entire Lodge, to which he responded with much feeling. The occasion was one which called forth a hearty interchange of social and festernal feeling among the members of this Lodge.

COLN:

LIMITS OF RELIGIOUS THOUGHT.

By the Rev. H. Longueville Mansell, B. D., Reader in Moral and Metsphysical Philosophy at Magralen College, Oxford.

I'mo., cioth. \$1.25.

This volume is destined to create a prifunder sensation in this country than any philosophical or religious work of this century. It is a defense of revealed religion, equal in ability to the "Analogy" of Bp. Sutler, and meets the skeptimen of our age as effectually as that great work in an earlier day.

HUGH MILLER'S NEW VOLUME.
FOPULAR GEOLOGY. With descriptive Stetches from a
Geologist's Fortfilio. By Hugh Miller. With a Resume of the
Frogress of Geological Science during the last two years. By
Mrs. Miller.

Mrs. Miller.

12mo., cloth. \$1.25.

This work is likely to prove the most popular of Hugh Müller's writings, and to stight the widest circulation. It is written in his best style, and makes the mysteries of Geology intelligible to the common mind.

BIRDSEY BLAKEMAN.
Of the late firm of BHELDON, BLAKEMAN & CO.

AN ADMIRABLE NOVEL

DOMESTIC LIFE.

Of late years a new and wholesome tendency has appeared in French imaginative literature. A class of writers have appeared, who, instead of appealing to morbid passions and depraved tastes, have gained a reputation by depicting the pure and healthy emotions of the heart, by developing the charms of genial and symmetrical characters, and by exhibiting men and women nobly triumphing over adverse circumstances and social n nobly triumphing ove

temperations.

This new school of writers, two conspicuous examples are found in the works of Emile Souvestre and OUTANS FRUILLET. The former has already been extensively translated in English, and is not unknown in this country. The latter we propose to introduce to the readers of The Taisung, by a spirited version of his

ROMANCE OF A POOR YOUNG MAN. which has recently appeared in Paris, and has been halled by both French and English critics as perhaps the most striking and admirable work of fiction that appeared in any country during the year 1856. Indeed, since "Jane Eyye" startled the novel-reading world, we bardly remember another production of the kind which, for beauty and interest, can be compared with this.

with this with the publication of "THE ROMANCE OF A POOR YOUNG The publication of "THE ROMANCE OF A POOR YOUNG MAN" will be commenced in THE NEW-YORK BEMI-WEEKLY TRIBUNE on Thesday, April 19, and in THE NEW-YORK WEEKLY TRIBUNE on Saturday, April 23, and will be regularly continued until it is completed.

Newsmen will please send in their orders immediately.

COMMERCIAL AND SOCIAL CONSEQUENCES WHICH MAY ENSUE AND THE MEASURES WHICH IT INVITES. MICHEL CHEVALIER.
Member of the Institute of France, et TRANSLATED FROM THE FRENCH, WITH PREFACE,

VALUE OF GOLD,

RICHARD CORDEN, ESQ. RICHARD CORDEN, ESQ.

The accomplished author of the following treatise is already in own among us as one of the most camest of fiving writers in favor of Free-Trade, and as the champion of every came which test to promote the progress of an elevated civilization, and the best interests of humanity. He has qualified himself for the present task by a long and laborious study of the Currency question, having given to the world some casays on mosey and the prescious metals, which are recognized as standard works, and invest his name with an authority on such subjects hardly second to that of Homboldt himself. In the following pages will be found aimost every fact and argument necessary for the formation of an opinion on one of the most important problems elour day; and they are prescuted with all the care and conscientiousness for which the writer is so distinguished. —Extract from Translator's Preface.

THE ANXIOUSLY-LOOKED-FOR AND DEEPLY-EX-

CITING TALE OF THE REVOLUTION.

THE SWAMP FOX;

REBEL RIFLEMEN. A TALE OF THE

TIMES AND FEATS OF MARION, By GRONGE ALBANY, esq.

Author of "The Orange Girl of Venice," "The Swamp Steed," "Rube the Ranger," &c.,

WILL BE COMMENCED IN THE NEW-YORK MERCURY Of SATURDAY, April 30, 1859,

New ready at all News Depots and Bookstores

No character in history offers a better subject for the romancer than that of Marion, or, as he was familiarly called, "THE SWAMP FOX "

from the immense ingenuity of his stratagems and devices for misleading and deceiving the enemy, his thorough knowledge of the woods, forests, fields and awamps of his native region, where he and his gallant band were perfectly at home, while their enemice became lost and bewildered in the labyrinthine mazes o

undergrowth and morass.

The story above announced is a true reflex of those scene and times, and its talented author has most vividly portrayed therein the many exciting incidents and accidents of a tenactors and indefatigable struggle for Liberty, pursued under the most adverse dircomstances. Every chapter is replete with exciting and romantic interest, historically accurate, but with a sparkling web of postry woven through it, which makes it at once a brilliant stery and a veracious record. The strongly-written descriptions of events—the ambuscade—the sudden sortle—the night attack—the wild charge and repulse—are all wonderful as examples of word-pointing, and equally true to the actual facts. In addition to these scenes of heroism and lofty daring, the Swamp Fox is not without the gentle charm of a love story—for the working and the effects of the tender passion are depicted in its pages as truly and artistically as the sterner emotions, rendering the tale a perfect picture of life and character in the days

of the Revolution, which cannot fall to appeal to the admiration, and gratify the taste of every reader who has a spark of true patriotism in his soul. The peculiar power and interest with which the gifted author, GEORGE ALBANY, e.g., describes the thrilling period, is a guaranty of the excellence of this truly magnificent Historical Romance. The vivid delineation of character, the depth of thought, the fascination of style, the picturesque beauty of de scription, and, in a word, the power of language he commands, all combine to render him one of the most brilliant writers of all combine to lender him one or the most ormain writers of the age; while his great appreciation of and sympathy with the pioneers in the cause of universal liberty give him a grasp of Revolutiorary subjects possessed by very few others. This has enabled him, in THE SWAMP FOX, to exhibit the life and adventures of

MARION AND HIS MEN

as they really were, and to do fit homage to that deliberate valor that unyielding patriotism, which, in a few mobile spirits, defy, ing danger, and above the scenes of privation, could seep alive sacred fires of liberty in the thick swamps and dense and gloomy forests—saking nothing, yielding nothing, and only leav-ing the field the better to reenter it for the combat! We take to correlves some credit for having secured for our

dumns the chafe d'oueres of this master's pen, but we lutend to NEW-YORK MERCURY a still higher prestige than ever. We believe it is already the

BEST AND LARGEST STORY PAPER in the world, and we contemplate making it better and better, with every successive number, in spite of all expense and oppositien.

> BAYARD TAYLOR ENGAGED EXCLUSIVELY FOR

THE NEW-YORK MERCURY. At a very heavy expense we have succeeded in securing the CEEEBRATED POET, AUTHOR AND TOURIST, Whose charming letters from foreign lands have

BAYARD TAYLOR, Esq., Who will hereafter make the MERCURY the only recipient of his inestimable SKETCHES OF TRAVEL,

ONE OF WHICH WILL APPEAR EVERY WEEK. We have the happiness to announce, therefore, that in the NEW-YORK MERCURY FOR APRIL SOTH, 1859, Will be commenced STRAY CHAPTERS OF

BY BAYARD TAYLOR, The Initiatory Article being entitled THE FIRST JOURNEY I EVER MADE." which is considered by the author-as it unquestionably will be by the public-to be his most interesting adventure since the

LIFE AND TRAVEL,

original outset of the GREAT AMERICAN TRAVELER. and cannot fail to be of interest to all. These delightful articles

BEAUTIFULLY ILLUSTRATED with original designs, in the highest style of the art, portraying the sceres and characters described in the most graphic manner. This new feature is a most valuable and instructive one, suited

to both young and old, and will render THE NEW-YORK MERCURY worthy of a leading place, as the most refined and elegant of all

FAMILY PAPERS. Since the first announcement of our engagement of Mr. Taylon, we have received a flood of inquiries from all parts of

the Union, relative to the enterprise, showing that public expec-tation is on tip-toe to learn the particulars regarding the character of his contributions. As it is impossable for us to answer these in detail, we can only refer our friends and correspondents to THE NEW-YORK MERCURY FOR APRIL 30,

where the first of these sparkling and popular sketches will be As no other American has ever traveled so extensively as

BAYARD TAYLOR, and no other traveler can see things with the eyes of America, we need dist further culogize the value of those emanations of his mind and observation, to the reading public. It is sufficient to say that they will greatly enhance the high character that THE MERCURY has ever maintained, and that has heretefore rested upon many causes, some of the most important of which may be summed up as follows: THE MERCURY employs more literary talent than any

THE MERCURY pays more, and higher prices for that talent, than any other paper. THE MERCURY is constantly announcing new, startling, and brilliant additions to its already unrivaled fund of attrac-

THE MERCURY is illustrated by F. O. C. Darley, esq., th greatest artist of this century, and his beautiful pictures are thus brought within the reach of the entire public. THE MERCURY is the oldest and most firmly established literary journel in America.

THE MERCURY, during the Twenty one years of its pros perous exister ce, has published a larger number of popular original tales, romances, and sketches, than all its imitators com

THE MERCURY must be seen to be appreciated, and we are fully determined to make its name "familiar as a household verd." with every family in the land. THE MERCURY is for sale by all News Dealers and Book-

ellers in every part of the country, and subscriptions are re-ceived for it at every Post Office. It will be seen from the foregoing announcement, that THE MERCURY for April 30, 1859, will be an excellent number for pharethers to date their subscriptions from.
